O. Light of my Lord, please surround me  
Get me into the presence of Evil  
Vampires and Gargoyles creatures with wings  
Worship your Master, worship him!  
Incubus rising from the flame of Satan  
This fire must burn again  
The winds from thy wings are cold  
The wind cold as ice as your breath.

East Lucifer, West Leviathan  
North Belial, South Sathanas

Lord Baphomet, Lord Leviathan  
Lord Belial, Lord Sathanas  
Immerse the glory, grant me his orb  
Lord Lucifer, Emperor of Skies.

East Lucifer, West Leviathan  
North Belial, South Sathanas

I. Women pregnant from the Goat Lord Demon  
More servants for thy glory  
How I ride thee through the spaces  
How am I worthy to be  
I'll do write your wings infinity  
Let me profane what's not for you  
We who were created to serve thee  
I'll do write the infinity of thy wings

East Lucifer, West Leviathan  
North Belial, South Sathanas

Lord Adramelekch, Lord Alastis  
Lord Astarte, Lord Sathanas  
Immerse the glory, grant me his orb  
Lord Lucifer, Emperor of Skies.

East Lucifer, West Leviathan  
North Belial, South Sathanas

Master Lucifer Beholder and guardian

Dragon Lord Fallen angel  
Father of lights  
Air's reptile  
Thy secrets won't be shown as there's pain in our eyes

The infinity of thy wings, Faustian for your desire,  
Lucifer.  
The infinity of thy wings, involve this world. A. Luzbel.
