Never saw you look quite so pretty before
Never saw you dressed quite so lovely what's more
I could hardly wait
To keep our date
This lovely Easter morning
And my heart beat fast as I came through the door
For

In your Easter bonnet
With all the frills upon it
You'll be the grandest lady in the Easter parade

I'll be all in clover
And when they look you over
I'll be the proudest fellow in the Easter parade

On the avenue
Fifth Avenue
The photographers will snap us
And you'll find that you're
In the rotogravure

Oh, I could write a sonnet
About your Easter bonnet
And of the girl I'm taking to the Easter parade

[alternate bridge for Great Britain:]
To the Park we'll go
Round Rotten Row
The photographers will snap us
And then you'll be seen
In the smart magazine
