We know you love your land of liberty  
We know you love your U.S.A.  
But if you want the world to know it  
Now's the time to show it  
Your Uncle Sammy needs you one and all  
Answer to his call

For your country and my country  
With millions of real fighting men

It's your duty and my duty  
To speak with the sword, not a pen

If Washington were living today  
With sword in hand he'd stand up and say

For your country and my country  
I'll do it all over again

[2]  
America has opened up her heart  
To ev'ry nationality  
And now she asks of ev'ry nation  
Their appreciation  
It makes no diff'rence now from where you came  
We are all the same
