Kenneth:]

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why
I wonder why
I keep tossing in my sleep at night
And what's more I've lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes
I wonder why

[Sally:]

You don't need analyzing
It is not so surprising
That you feel very strange but nice
Your heart goes pitter patter
I know just what's the matter
Because I've been there once or twice
Put your head on my shoulder
You need someone who's older
A rubdown with a velvet glove
There is nothing you can take
To relieve that pleasant ache
You're not sick
You're just in love
