Full title: If You Don't Want Me (Why Do You Hang Around)]

[1st verse:]

Honey something's wrong with my eyes and it makes me blue

Ev'rytime I open my eyes I'm looking at you

Why should you be haunting me all the livelong day

Honey if you don't want me why don't you keep away

[chorus:]

If you don't want me

Why do you hang around?

Why do you hang around?

Why do you haunt me

Just like a haunting melody?

What did I do to you?

What did I do to you?

I can't forget you

What am I going to do,

What am I going to do?

I sailed the ocean blue

To get away from you

In ev'ry foreign place

I met you face to face

If you don't want me

Why do you, why do you hang around?

[2nd verse:]

I looked at your picture dear and it seemed to speak

When I saw your beautiful face I cried for a week

I tore up your picture dear, threw it on the floor

Then I saw you standing there more lovely than before
