Unpredictable, irresponsible
Unbelievable, unreliable
Ever since the world began
Are Cupid and the weather man

Love and the weather, birds of a feather
Can't be depended upon
One day it's sunny, next day the sunshine has gone

Love and the weather, always together
Planning another surprise
Bringing the raindrops just like the tears to your eyes

There was I with love close by
So cozy and warm
Love walked out and so did I
Right out of the warm
Into a storm

Moonlight romances have to take chances
That's what I learned with the dawn
Love and the weather can't be depended upon
