Original title: "You Forgot to Remember"]

One little kiss, a moment of bliss, then hours of deep  
regret

One little smile, and after a while, a longing to forget  
One little heartache left as a token  
One little plaything carelessly broken

Remember the night  
The night you said, "I love you"  
Remember?

Remember you vowed  
By all the stars above you  
Remember?

Remember we found a lonely spot  
And after I learned to care a lot

You promised that you'd forget me not  
But you forgot  
To remember

[2]  
Into my dreams you wandered it seems, and then there  
came a day  
You loved me too, my dreams had come true, and all  
the world was May  
But soon the Maytime turned to December  
You had forgotten, do you remember
