One little kiss, a moment of bliss, then hours of deep
regret

One little smile, and after a while, a longing to forget

One little heartache left as a token

One little plaything carelessly broken

Remember the night

The night you said, "i love you"

Remember?

Remember you vowed

By all the stars above you

Remember?

Remember we found a lonely spot

And after I learned to care a lot

You promised that you'd forget me not

But you forgot

To remember

[2]

Into my dreams you wandered it seems, and then there
came a day

You loved me too, my dreams had come true, and all
the world was

May

But soon the maytime turned to december

You had forgotten, do you remember?
