Words and music by Vincent Bryan, Irving Berlin and Ted Snyder".]

[1st verse:]

Love, never dying, love, ever sighing  
Love, undenying love  
Love, ever yearning, love, ever burning  
Sweet fire from above  
Love's mighty flame to my lonely heart came  
'Tis a flame that will burn there forever evermore  
Heaven above never knew greater love  
Than the dear Spanish love I adore

[chorus:]

Spanish love  
Love that burns while it's chilling me  
Thro' and thro' it is thrilling me  
I would die for you willingly  
Spanish love  
With it's fire is instilling me  
Flames of passion are filling me  
Burning love that is killing me

[2nd verse:]

Dear one that I love, you shall be my love  
Through all eternity  
Time cannot change me, naught can estrange me  
My king you'll ever be  
Make me your own, let my heart be your throne  
You will reign there alone, dear, forever and for aye  
While time endures all my soul shall be yours  
As I bow to your love's mighty sway
