Twas not so long ago  
We sailed to meet the foe  
And thought our fighting days were done  
We thought 'twas over then  
But now we're in again  
To win the war that wasn't won

This time  
We will all make certain  
That this time is the last time

This time  
We will not say "Curtain"  
Till we ring it down  
In their own home town

For this time  
We are out to finish the job we started then  
Clean it up for all time this time  
So we won't have to do it again

Dressed up to win  
We're dressed up to win  
Dressed up for victory  
We are just beginning  
And we won't stop winning  
Till the world is free

[coda:]  
We'll fight to the finish this time  
And we'll never have to do it again
