There's a change in fashion that shows
In those Lennox Avenue clothes
Mister Dude has disappeared with his flashy tie
You'll see in the Harlem Esquire
What the well-dressed man will desire
When he's struttin' down the street with his sweetie-pie

Sun tan
Shade of green
Or an olive drab color scheme
That's what the well-dressed man in Harlem will wear

Dressed up
In O.D.'s
With a tin hat for overseas
That's what the well-dressed man in Harlem will wear

Top hat, white tie and tails no more
They've been put away till after the war

If you
Want to know
Take a look at Brown Bomber Joe
That's what the well-dressed man in Harlem will wear
