1st verse:]

Johnny was bashful and shy  
Nobody understood why  
Mary loved him  
All the other girls passed him by  
Everyone wanted to know  
How she could pick such a beau  
With a twinkle in her eye  
She made this reply

[1st chorus:]

He's not so good in a crowd but when you get him  
alone  
You'd be surprised  
He isn't much at a dance but then when he takes you  
home  
You'd be surprised

He doesn't look like much of a lover  
But don't judge a book by it's cover  
He's got the face of an angel  
But there's a devil in his eyes

He's such a delicate thing but when he starts in to  
squeeze  
You'd be surprised  
He doesn't look very strong but when you sit on his  
knees  
You'd be surprised

At a party or at a ball  
I've got to admit that he's nothing at all  
But in an easy chair  
You'd be surprised

[2nd verse:]

Mary continued to praise  
Johnny's remarkable ways  
To the ladies  
And you know advertising pays  
Now Johnny's never alone

He has the busiest phone  
Almost ev'ry other day  
A new girl will say

[2nd chorus:]

He's not so good in the house but on a bench in the  
park  
You'd be surprised  
He isn't much in the light but when he gets in the dark  
You'd be surprised

I know he looks so slow and so weary  
But you don't know the half of it, dearie  
He looks as cold as an Eskimo  
But there's a fire in his eyes

He doesn't say very much but when he starts in to  
speak  
You'd be surprised  
He's not so good at the start but at the end of the week  
You'd be surprised

On a streetcar or on a train  
You'd think he was born without any brain  
But in a taxicab  
You'd be surprised
