[intro]

Hey eh, well it's me  
De 'I' to de 'B' (Whoa)

[chorus]

It is happening again  
God have come and take away all my pain  
Know I got to say I love you (hey)

It is happening again  
God have come and take away all my pain  
Know I got to say I love you

Said make ah jumping up to the ceiling  
What a wonderful feeling  
God you have my back  
Always defend me when I'm under attack

Said make ah jumping up to the ceiling  
What a wonderful feeling  
God you have my back  
Always defend me when I'm under attack

Nana nan nana nan nana nan nana nan na nana nan  
nana nan na nan nana nan na (whoa)  
Nana nan nana nan nana nan nana nan na nana nan  
nana nan na nan nana nan na (hey)

[verse 1]

You never leave me hungry  
You never leave me thirsty  
You always with me in my time of struggle  
You never leave me weary  
You never leave me lonely  
Always guide and protect me (hey)  
You never leave me desolated, and afflicted (further)  
Cause in de desert storm, you are my rain (yeah)  
So when they walk in de darkness  
And they come at me with dey madness  
You shine your light, so I could see through all de  
madness

[chorus]

[bridge]

You're my mission, and ah going on  
You're my mission, even weather through the storm  
You're my mission, said and ah going on  
Meh say most high god, have meh back  
And say most high god, go mash up de attack

[chorus]
