Every morning when I rise, baby  
I look into your sexy eyes, baby  
Your love refreshing is good to me, baby  
There's no other place I'd rather be, baby

What a way to start each day  
Everything I think of just comes my way  
Oh, yeah, yeah, yeah

'Cause you're my joy, you're everything to me  
And you've shown me how groovy life can be  
Lips to lips, heart to heart in a way that will never part

Sweetness is the name for you, sugar  
And loveliness becomes you too  
Dedication is your thing, mama  
You're forever true to your man, baby

You're the only one who thrills me through and through  
And I'll never find another if I search this whole world  
through  
Oh, no, no, no

'Cause you're my joy, you're everything to me  
And you've shown me how groovy life can be  
Lips to lips, heart to heart in a way that will never part

Now you know why I smile all the time, baby  
You give me such peace of mind, honey  
Heartaches and pain is a thing of the past, baby  
I found happiness at last, mama

Anything you want I'll gladly give to you  
'Cause you never did nothing once  
That's why I love you too  
Oh, yeah, yeah, yeah

'Cause you're my joy, you're everything to me  
And you've shown me how groovy life can be  
Lips to lips, heart to heart, oh yeah, in a way that will  
never part

Keep on loving me  
Keep on teasing me  
Keep on loving me
