I never can say goodbye, no, no, no, no, I
I never can say goodbye, no

Even though the pain and heartaches
Seem to follow me wherever I go
Though I tried and tried to hide my feelings
They always seem to show
Then you try to say you're leaving me
And I always have to say no
Tell me why is it so

And I never can say goodbye, no, no, no, no, I
I never can say goodbye

Every time I think I've had enough
And started heading for the door
There's a very strange vibration
Piercing me right through the core
It says, turn around, you fool
You know you love her more and more
Tell me why is it so, I don't wanna let you go

I can't say goodbye, oh I, I never say goodbye
I never can say goodbye - no matter how hard I try

I never can say goodbye, no, no, no, no, I
I never can say goodbye

I keep thinking that our problems
Soon are gonna all work out
But there's that same unhappy feeling
There's that anguish, there's that doubt
It's that same old dizzy hang-up
Can't do with you or without
Tell me why is it so, I don't wanna let you go

I never can say goodbye, oh I, I never say goodbye
I never gonna say goodbye - no matter how hard I try
Don't wanna let you go, I can't say goodbye
I need you, oh yeah
I never gonna say goodbye - no matter how hard I try
You're my one and only lover, I can't say goodbye...
