[Nate Dogg/(C-Murder)]

Chorus

Ghetto, ghetto

(Ghetto millionaire) x6

[C-Murder]

Whassup ya'll.

C-Murder, Bossalinie of the rap industry.

With my niggas Snoop Dogg, Kurupt, No Limit, livin legend.

Ya'll muthafuckers know what I mean out there.

[C-Murder]

I cop a Benz at the age of twenty one nigga

I fuck hoes and smoke weed for fun nigga

From the streets to the muthafuckin record stores

And sell a million discs at blockbuster videos

Bitches formin lines at my concerts

Them thug niggas sell drugs off my inserts

A eight figure nigga gettin bigger

I wear No Limit gear nigga so fuck Tommy Hilfiger

And renegotiate my court case, fuck a plea

And call Cochrane there's a million on legal fees

Charge it to the game, that's what Silkk said

My name ringin like the muthafuckin flu spread

Give me a shot cause I'm sick wid it (sick wid it)

The tank on the back, the ghetto niggas gotta get it

I make money so fuck all them haters with the mean
stares

I wanna be a ghetto millionaire

[Nate Dogg/C-Murder]

Chorus x2

[Kurupt]

Gangstad up, then you know I don't fuck

I got the blue khakies with the gangsta chucks

All at once was deservering me

Got the homies on east side serving me

Yeah we do what gangstas do, me make them gangsta
figures

And I surround myself with only gangsta niggas

We be on the streets in the grey or blue on the smash

Dippin on the look off of crack

My homies got a couple birds locked up in the stash

Snitches spreadin through the hood like rash

Be like me and do with it off

And you could be a ghetto millionaire like me and my
doggs

We don't take it away qesh

Especially fuckin around with a bitch

I'm me and I don't give a fuck

A ghetto millionaire and bitch I just don't care

Bitch I just don't care

[Nate Dogg/C-Murder]

Chorus x6

[Snoop Dogg]

Shot gun blasts are heard

When I rip, dip, flip, slip and swerve

Through the hood in the muthafucking drop top thangs

I'm bangin G Thang once again

My clip, my glock, I click it, I cock it

Got my heat in my pocket, I blast like a rocket

It's like a gang bang movie say up jump the boogie

While you moving from the side of my heat

I'm never too big to say hello in the ghetto

Niggas spit hot metal, keep your foot on the pedal

I'm from the east side of the LBC

Where the bitches quick to set a young nigga up baby

Never let a bitch play you

From the streets to the sweets make that bitch pay you,
and obey you

Who said the game was fair

Get your hustle on nigga and become the next ghetto
millionaire

[Nate Dogg]

Ghetto, hustling all my life

Ghetto, droppin the fool my pay x10

[C-Murder]

Whassup nigga, huh, No Limit, cuz I'm in it.

Cuz I'm in it muthafucker, Third Ward.

C-Murder, Snoop Dogg, Nate Dogg, and Kurupt in this muthafucker.

DPG nigga, you know we still off the gangsta shit.

The tank, for the real niggas.

Straight from the projects.

Nigga you know what I mean when I say fuckin ghetto millionaire?

What nigga.
