Fuck you irrumatrix  
Don't try th silly tricks  
Blow the irrumatrix  
Women with extra pricks  
Female with the the cock I suck, suck  
And my mouth is full of slime  
Licking these balls I know well, well  
A blow job is my pride  
Ramming penis I have to devour  
I'm cockbrushing my teeth  
Shemale grinds my head, head  
Between her hairy knees  
Female with the the cock I suck, suck  
And my mouth is full of slime  
Licking these balls I know well, well  
A blow job is my pride  
Fuck you irrumatrix  
Don't try the silly tricks  
I am fellatrix  
Women with extra pricks
