Bomb squad warned about you  
Pretty explosive nymph you are  
There's no danger to be alive  
But don't worry, you'll be satisfied  
Before I'll die in blast of your spasm  
High explosives stuffed in your wet womb  
And I am your fuck-blasters switch  
None will detect you're hot-tempered... bitch  
You're a lusting personification of Death  
Fluids of love ooze our bodies  
Ready to cum, ready to adjust your wombombs  
A smile you give me before your...  
Orgasm!  
T.N.T clit orgasm  
T.N.T clit orgasm  
T.N.T clit orgasm  
T.N.T clit orgasm  
Three, two, one and die  
Instrument of lust  
Fuck, boobs, clit  
Three, two, one and cum  
Twat, cock and lips  
Three, two, one and die  
Kiss, suck, felch, Oh my fucking God  
Love balls, cunt  
Orgasm!  
T.N.T clit orgasm  
T.N.T clit orgasm  
T.N.T clit orgasm  
T.N.T clit orgasm  
Impossible fragile and inflammable  
Under my touches you were set on  
Licking the ignition coil made you sighing  
I was in love with beautiful horny slut...  
Before I've died in blast of your spasm  
High explosives stuffed in your wet womb  
And I was your fuck-blasters switch  
None detected you're hot-tempered... bitch
