I never thought I could feel like this, no You turn my world upside down I never thought I could love you this way I just want you to know

And everytime I look out my window I wish that you would be here $\tilde{A}f\hat{A}$,''cause everytime that I see you baby It feels like walking on air

 $\tilde{A}f\hat{A}$,''cause I $\tilde{A}f\hat{A}$,'ll be by your side But I don't know if I'll be on your mind So tell me is it right feeling blue If you $\tilde{A}f\hat{A}$,'re out there Looking for me

I wanna hold you tonight I wanna touch you right now Because I wanna be there when you are sleeping And anything you say $|\tilde{A}f\hat{A},'||$ do it for you And I just wanna be there by your side I wanna hold you tonight

I don't know where you are Where you are now But IÃfÂ,'ll be waiting for you

Playing tricks with my heart Won't get me down When I know you $\tilde{A}f\hat{A}$, 're around
