baby baby what i feel
is what i can't control
my heart inside of u
i want to love again Yeah
baby baby what i see
is what i can't describe a loneliness are hide
until we love again yeah?
i want it all the same

*(chorus)

if u tell it to my heart how would i know
if u tell me what to do i won't let go
if u tell it to my heart tell me like it is i wanna know
how u feel if u tell it to my heart

baby baby can i make u see
this is meant to be
more than just a dream
how can we love again Yeah
how can it be the same

if u tell it to my heart how would i know
if u tell me what to do i won't let go
if u tell it to my heart tell me like it is i wanna know
how u feel if u tell it to my heart

if u tell it to my heart
don't u know that
if u tell me what i can do
if u tell it to my heart you'll make me feel the way i do
