I get this feeling when I look at you,  
There is nothing that you wouldn't do,  
There is something that inside me says,  
Without you by my side I'm going away

Ya hawaa  
El hawaa hawaa  
Hadetni maa

When I see your eyes, telling me that you are the key,  
The key to unlock my heart,  
When I see your eyes, I can feel your arms around me,  
So baby this is where I wanna be...

They can take away my heart and my soul,  
They can tell me you love me no more,  
When you... I am losing my mind,  
There will never be another one for me.

Ya hawaa  
El hawaa hawaa  
Hadetni maa

When I see your eyes, telling me that you are the key,  
The key to unlock my heart,  
When I see your eyes, I can feel your arms around me,  
So baby this is where I wanna be...

Let me,  
If you, I'll go through all through the night,  
Me too, hold you in my arms and  
... to give, come...

When I see your eyes, telling me that you are the key,  
The key to unlock my heart,  
When I see your eyes, I can feel your arms around me,  
So baby this is where I wanna be... 2x

And we can dance all night,  
It's gonna be alright,  
Just take me higher,

Feel my heart beating... 3x
