So many answers out there still to explore
Wish I could escape and run them out the
door
Somehow erase this pain that's left inside
And lock it behind (oh)
But I know you watch

You shine into my life
You're a beautiful Angel and I
realize
It's undeneighable how words, they got in the way
But you're always with me to stay
I miss you at Christmas most of
all
Walking outside as the snow falls
Wake up and hear you down the hall
(You know I hear you down the hall)
On Christmas
And
I miss my best friend when I can't stand tall
I pick up the phone or I wish you'd call
And I wonder if You can you hear me,
I'm cried out
On Christmas
I know an Angel's guiding my Life
I know Your beauty and you shine
You know I'll never ever let you
go
Cause you're my Christmas Angel
The best times of my life
Were always by Your side
I thank God for your time
And I Dedicate my life
(Walking outside)
To be the best in your eyes
Another you, we'll never find
(On Christmas)
And I want you to know
(I miss my best friend when I can't stand tall)
I want you to know
That I miss you

(On Christmas)
I want you to know yeah
In closing this letter,
Wish you were here...
Forever in my Heart on Christmas
I Miss You
