As young I traveled alone  
In places the sun is dark  
A land even the dead fear  
Immortals with axes and spear

Born in the shadow  
A shade beneath a stone  
Taught by the night  
How to die in fight

Forged by hollow screams  
Vengeance is my beast  
Immortals tore my home  
I shall walk alone

I venture back and fourth  
I failed to sacrifice  
The mighty gods I heed  
Lost is now my bead

Black is now my mind  
Devouring hatred fulfilled  
The dead are leaping back  
It's time for another attack

Steel shimmering in twilight  
Voices of help speak arise  
I spill my blood to the one  
Realizing my inner con

The legion is thoroughly formed  
The ranks are reset and waiting  
Swords replaced my sarkened soul  
A Warrior of Northern Twilight

In the past I dreamed a dream  
Of coming home to light  
I found my path of walking  
A roar where no ones talking

The road to perdition I ride  
Amongst skulls and bones

The dead I travel along  
A rotten ghoul I've become

The chill is freezing lungs  
Our journey leads north  
To lands where I haven't been  
Castles and thrones none has seen

Humans split the ranks  
By the smell of warm flesh  
I hear the scream of pain  
The screams that made me insane

My corpus is written  
Coven many steps ahead  
A great battle is dwelling  
More death than the story telling

The legion is thoroughly formed  
The ranks are reset and waiting  
Swords replaced my sarkened soul  
A Warrior of Northern Twilight

They taught me none of joy  
Their mouth was all so closed  
They didn't tell me right from wrong  
When I wrote my ending song

Craving for blood  
I stand in the front  
Legend has become never ending tales  
As the legion set up their mighty sails

Savage and fast  
We storm their fort  
Rebelling with their human mind  
Reaping and thrusting, every kind

What do they hold  
Why do they speak  
We've come here for glory  
We've come here for pain

Swords sing the golden song  
Survival of the sickest  
Shield bash momentum  
Battle-ages ultimatum

The legion is thoroughly formed  
The ranks are reset and waiting  
The clockwork frames pending

A Warrior's life ending.
