"Leaves In The Wind"

Lyrics

Memories are all that you have left me,
No more I'll see the love shine in your eyes,
And the tender words you spoke to me so softly,
Are as far away as the stars up in the sky.

CHORUS

You're far away from me and I am so lonely,
Since you left I am slowly losing my mind
It seems like only yesterday I had you with me,
Now you're gone - like leaves in the wind.

How I wish I'd told you all that you have meant to me,
And how much my world revolved around you,
How I hope and pray that where you are you hear me now,
For without you near I don't know what I'll do.
