Visit "[Many Reasons](#)" on MotoLyrics.com

There are many, many reasons why I love you
And many reasons why I know I care
It's knowing you beside me to help me and to guide me
Knowing that for sure you'll always be there.

It's the sweetest smile to greet me every morning
And the loving arms that hold me every night
It's the way you understand, the way you gently hold
my hand

In my darkest hour you are my light.

There are many, many reasons why I love you
And everyday I try to let you know
My world's a brighter place when I see your smiling
face
There are many reasons why I love you so.

Yes, so many reasons why I love you so.
