Baby, take it off  
Checkered thighs on a pretty pawn  
This vicious velvet ain't enough  
So baby, make a move  
My neon eyes are set on you  
The devil's language taste of lust

Tell me what can I say to make your body come this  
way  
We're only two in a crowded room where others fade  
away  
It's only a crime if I get caught (only if I, If I get caught)  
It's only a line if it get's bought

I woke up 12:05, I left that room with no goodbye  
And now I'm on my way back home  
It's not that your lipstick failed  
But girl I was just born to bail  
I do it better on my own

Tell me what can I say to make your body come this  
way

We're only two in a crowded room were others fade  
away  
It's only a crime if I get caught (only if I, If I get caught)  
It's only a line if it get's bought

It's the same game I play 'till the give becomes the take  
It's the same game I play 'yill the bend, The bend  
becomes the break

Baby, take it off  
Checkered thighs on a pretty pawn  
This vicious velvet ain't enough  
So baby, make a move  
My neon eyes are set on you  
The devil's language taste of lust

It's only a line if it get's bought

It's the same game I play 'till the give becomes the take

(what can I say, what can I say)  
It's the same game I play 'till the give becomes the take  
(Why can't you come this way)  
It's the same game I play 'till the give becomes the take  
(what can I say, what can I say)  
It's the same game I play 'yill the bend, The bend  
becomes the break
