

The Cab

"I Am Who I Am"

Visit "[I Am Who I Am](#)" on MotoLyrics.com

I am who I am
I write songs
Not my wrongs
You can see by me
But don't consider me gone
'Cause I'll stay where I stand
You're like an hourglass
That needs more sand

How can I trust anyone else
When I can barely trust myself?
I write songs, baby
Not my wrongs, baby
I win, you lose
Same song, baby

I am who I am
You know I'll bend the truth
I'll break it, too
And I am who I am
You know I care for you
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go

I am who I am
I confess all the rest
Caused a wreck in my chest
Made a mess
You've hit, crashed
Now he's back
But if you want me
You can only have half

How can I love anyone else
When I can barely love myself?
I write songs, baby
Not my wrongs, baby
I win, you lose
Same song, baby

I am who I am
You know I'll bend the truth
I'll break it, too
(You know)
And I am who I am
You know I care for you
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go

Oh yeah
Come on, let's go
Yeah, yeah, yeah
The Cab
Yeah
Eloquent

Bringin' the house down
Let's drive 'em crazy
Over the top
Rock the hands up, baby
Full of aggression and the tension leans
I'm rollin' with The Cab
That's money, baby
Lady, you're pretty hard to handle
'Cause we go back and forth
Like a boomerang
I'm sayin' I don't know how well you'll take this
Your secrets won't leak
Like what happens in Vegas
Face it, you're the one that starts the fights
Screamin' loud and takin' face
Jump and ram the brake lights
Battled to the skill
It was a long race
But you're the first one to call
On the lonely nights
And baby, baby
This ain't fair
Remember...
We're goin' nowhere
This...
We got plenty of flows
But I'm never gonna cheat or change
Because

I am who I am
(Yeah, yeah)

You know I'll bend the truth
I'll break it, too
(Come on)
And I am who I am
You know I care for you
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go
(Go, go, go, go, go, go)
But not enough to let you go
