And lately I've been walking
From all these places that I cannot stand
I guess it's just my history talking
Or I'm refusing to supply your demands

You say the storm will pass, we'll work it out
The road can get a little rough sometimes
I'll move it fast without a doubt
Our hearts will beat in separate rooms tonight, tonight

Baby, we belong alone
Guess my second chance is blown
Baby, we belong alone
I got another you at home
Baby, we belong alone, alone

And lately you've been knocking
But I never really listened or cared
'Cause when I told you I was walking
I was reeling her in with my stare

You say the storm will pass, we'll work it out
The road can get a little rough sometimes
I'll move it fast without a doubt
Our hearts will beat in separate rooms tonight, tonight

Baby, we belong alone
Guess my second chance is blown
Baby, we belong alone
I got another you at home
Baby, we belong alone, alone

Baby, we belong alone
Guess my second chance is blown
Baby, we belong alone
I got another you at home

Baby, we belong alone
Guess my second chance is blown
Baby, we belong alone
I got another you at home
Baby, we belong alone, alone
