Rack of lamb of God
We serve you instead in a bed
That's sweet to sleep forever
In outer space

Track saquatches
Through the snowy
Climbs of Canada
Are you an upright bear?
Are you even there?
Do you exist?

So sexy
So cold
So British

Try like hell
Explore anew in the carousel
Things don't change
Things don't change
Love everyone
As long as everyone's to blame

Space space space is the place
And the sun is fun fun fun
Severed body won't run
So take your sweet time

Frozen heads up in outer space
In a box
They crash back to earth
Crash back to earth

And they've brought
Back with moon rocks

I think I spotted a yeti
Yet I didn't die
I'm not sure
Was it fur?
Was it alive?

They're coming home
But, my how the tundra has grown
Since you've been gone
Everyone's gone

Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye

Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye
Bye, bye, bye, bye, bye

Rack of lamb of God
We serve you instead outta' bed
That's sweet to sleep forever
It's sweet to sleep forever
Except in outer space

Track saquatches
Through the snowy
Climbs of Canada
Are you an upright bear?

Are you even there?
Do you exist?
Do you exist?
