Mr. Bigs, you know you got to keep me jigs
Mr. Bigs, you know you got to keep me jigs
Mr. Bigs

1 - Float on, float on, float on, float on
(Don't you know I want your love, don't you know I need
your love)
Float on, float on, float on, float on
(Don't you know I want your love, don't you know I need
your love)

Can't get you off of my mind
Girl I've been thinking of you
So lets not waste our time
Tell me what you want to do

Your body's hot for mine
Girl let me hold you real tight
Don't rush lets take our time
I wanna love you all night

You know just what to do
Go down and taste my love
I'll do the same for you
You know what I'm thinking of
Tonight I'm gonna cry
Until I'm soaking wet
Do every thing you like
Baby comfort me

Repeat 1

Don't wanna stop this groove
Just wanna keep goin on
The way your body moves
Oh girl I can't let you go
Just let me come inside
Until you can't take no more
You're body wrapped on mine
Now baby, let me explode

You gotta give me some more
I love the way it feels
The way you caress me
Take me to ecstasy
Oh baby up and down
Just hit it all around
This love it feels so right
Bring it hold me too

Little Kim you don't know what type of chick this is
Number one baller of the mistresses
Mr. Bigs you know you got to keep me jigs
Even though it might mean stealing chips from kids
You know why summer clothes too hot for you folks
Get "c" notes every time I do coats
Ya loosing it, acting like ya new to this
Get true to this make it shift in my uterus
Sexing in the ass, ay Martin, when wifey comes home
Get the dough and I'm departing
I wanna see if you can make me scream I hate ya
Give me back shots of sweat out, my cream of nature

Don't you stop
You turn me on I need release, whoa
Love me here, touch me there
Something to share

Repeat 1

Ad lib until fade
