Waiting to get to your room  
Hallways  
Always waiting, feels like I've been waiting for days  
In these hallways

Wait wait wait,  
Wait wait wait.  
Wait wait wait

Walls cave  
Turns refuse to waste  
Hallways

Knock knock knock, broken lock  
I'll just wait in hallway  
In some small way, ooh  
This can be a pleasurable face

Walls cave  
Turns refuse to waste  
Hallways

Walls cave  
Turns refuse to waste  
Hallways

In the hallways  
Girl she turns to you to say,  
"always"
