Heart Beat
And I might be wrong
But I don't think you could sing along to my
(Heart Beat)
Qued up the major third
But you don't know you just take my word
(Heart Beat)
And I will destroy what destroys my own
(Heart Beat)
I couldn't read it more
But you don't what to listen for
(Heart Beat)
Load up the major third
But you don't know if that's what you've heard
And I will destroy what destroys my own
(heart beat)
And I will destroy what destroys my own
(heart beat)
