You're the one that makes my day a dream come true,
Yet and still you wander if I think of you,
You ought to see how the other girls behave when
you're not around,
And only then you would know that it's on your finger
I'm wound

Chorus:

If you were there you'd know
If you were there you'd know
If you were there you'd know
If you were there you'd know
That i care

There's no need for you not to have faith in me,
'cause it's by your side girl that I long to be,
Yes there are times with my friends when I don't have
much to say,
What you don't know is with you I could never act that
way

Chorus:

If you were there you'd know
If you were there you'd know
If you were there you'd know
If you were there you'd know
That i care

I care for you baby
I swear I care for you
I care for you baby

There's no need for you not to have faith in me,
'cause it's by your side girl that I long to be,
Yes there are times with my friends when I don't have
much to say,
What you don't know is with you I could never act that
way

Chorus:

If you were there you'd know
If you were there you'd know
If you were there you'd know
If you were there you'd know
That i care

I care for you baby
I swear I care for you

I care for you baby
You know I care for you.....
