Open up your door for me  
and let me in  
Oh, can't you see  
how cold I am?

You remain there  
unabated  
and you refuse to  
let me lose you

Only when I sleep I do

And sounds forming words  
from the well spring of concern  
while my boat in that old shun turned  
on the hull I watched the city burn

In a dream  
In a dream  
In a dream  
It seemed real

Even in the dream I cried  
I'm the giveaway  
I could never hide  
All the sadness inside

Blue, what a funny color to  
color you  
love is hard to hold onto  
only when I sleep, i do

and sounds forming words  
from the well spring of concern  
while my boat in that old shun turned  
On the hull I watched the city burn

In a dream  
In a dream  
In a dream  
It seemed real
