Baby just stay with me a little longer
Baby I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you baby
Baby just stay with me a little longer
Baby I'll guarantee we'll get it on
Read my mind and I know you'll find
I wanna be inside you baby.

There ain't nothing but love inside you girl
And I wish that you knew what goes on inside of me
baby
Stay with me a little longer
Baby I'll guarantee we'll get it on
All I know is what you do to me
I wanna be inside you baby

There ain't nothing but love inside you girl
And I wish that you knew what goes on inside of me
Baby just stay with me a little longer
Baby I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you baby

Baby just stay with me a little longer
Baby I'll guarantee we'll get it on
There ain't nothing but love inside you girl
And I wish that you knew what goes on inside of me
baby

Baby just stay with me a little longer
Baby I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you baby
