Somebody said  
I was living in the life  
Somebody told me  
I was living in the life

Think that you might know  
You find that you're really wrong  
My pictures come and go  
But my living has got to go on

And if you think it's easy  
It's only cause you  
Ain't me and I ain't you  
Check out the difference  
Between the two

Somebody said  
It was easy in my life  
Somebody told me  
I had made it in my life

Try to understand  
My determination win  
You can't only stand  
On the outside looking in

And if you think it's easy  
It's only cause you  
Ain't me and I ain't you  
Check out the difference  
Between the two

Somebody said  
I was living in the life  
Somebody told me  
I was living in the life

Try to understand  
My determination win  
You can't only stand  
On the outside looking in

Oh, you ain't me  
And I ain't you  
There's a hell of a difference  
Between the two
