wooooooooooooooooooooo  
the drums once loudly resonant  
dont resonate in tune  
a drumming feels a little slow  
yet somehow comes too soon  
bruuuuu? skin cant take another hit  
without you  
the pockets were once lined in time  
the seems seemed to pay a thread  
emptying my pockets now finds crumbs where there  
was bread  
smoooooth skin asking only for a hit  
and asking nice  
the drums the drums the drums  
the drums the drums the drums  
the drums the drums the drums
