If Penny rolls away
I will have lost everything
In many subtle ways
I already don't have anything

I hate to watch you go
Nick if you ever learn it never shows

And this is not a song
So why do I find it so hard to move on
Feels a crime to be cryin' for this long

In upper atmosphere my head comes loose
And in the free fall I can feel the blues
I hate to watch you go
Nick if you ever learn it never shows

If this is just a song
Then why do I find it so hard to move on
Feels a crime to be cryin' for this long
