OOOHH

This old heart of mine, been broke a thousand times  
Each time you break away, i think your gunna stay  
Only nights that come, memory's that go bringing you  
back again, hurting me more and more.

Maybe it's my mistake to show this love I feel in inside,  
Coz each day that passes by, you got me never  
knowing if I coming or going but I...

I love you, this old of mine darling is weak for you

I Love you, yes I do (yes I do)

These old arms of mine, miss having u around  
Makes these tears inside, start falling down.

Always with half a kiss, you remind of what I miss,  
Though I try to control myself, like a like fool I start  
feeling coz my head starts spinning coz I...

I love you, this old heart of mine darling is weak for you

I Love you, yes I do (yes I do)

[saxophone solo]

OOOHH

I try hard to hide, my hurt inside, this old heart of mine,  
always leaves me crying  
The way you treating me, leaves me incomplete, your  
here for the day, gone the week now.

But if you leave me a hundred times, a hundred times  
I'll take you back.  
I'm yours, whenever you want me, I'm not too proud to  
shout tell the world about it coz i...

I love you, this old heart of mine darling is weak for you

I love you, this old heart of mine darling is weak for you  
(Darling I) I love you, this old heart of mine darling is  
weak for you  
I love you, yes I do, yes I do
