Took a drink to drown my sorrow
Numb the pain until tomorrow
Such a bitter pill I swallow now

Took a look my hands were shaking
Deep inside my heart was breaking
On my face the smile I'm faking now

I'm faraway
So faraway

Happiness is hard to come by
Can't explain it I don't know why
Easier to hang my head and cry
Lonliness will keep me company
Always seems to know where I'll be
At the bar we toast to misery

I'm faraway
So faraway

Took a drink to drown my sorrow
Numb the pain until tomorrow
Such a bitter pill I swallow now

I'm faraway
So faraway
I'm faraway
So faraway
