She makes me nervous
With a look from her deep blue eyes
Slightly curvaceous
Giving me love that I cannot deny
And so mysterious
When she do what she like to do
Just like Colombo
IÂ'm a spy looking for some clues

(Chorus)

SheÂ's my funky lady
My my sweet potato
I feel like going down again
SheÂ's my funky lady my my sweet potato
I feel like going down again

SheÂ's tantalizing
Hollywood could have used her well
Says that she loves me
We got it good as far as I can tell
SheÂ's so creative
Never know what sheÂ's got in store

DonÂ't make no difference
She knows ill be coming back for more

Chorus

SheÂ's my funky lady
My my sweet potato
I feel like going down again
My my sweet potato
I feel like going down again

SheÂ's my funky lady
My my sweet potato

SheÂ's so creative
Never know what sheÂ's got in store
DonÂ't make no difference
She knows ill be coming back for more

Chorus

She's my funky lady
My my sweet potato
I feel like going down again
My my sweet potato
I feel like going down again
