Oh oh, mmm-mmm  
do do doo oh oh

Start off with a hug  
Lead into embrace  
Oh, girl, I'm glad to see you  
Oh, face-to-face  
Not a day of age  
Oh, and by the way  
I forgot to say  
How much I missed you, baby

And just like deja vu, I say  
Running into you this way  
I want to keep you here  
I got to have you near

Can I have a kiss from you (Can i have a kiss from you)  
For old times' sake (oh baby)  
Can I have a kiss from you (Can i have a kiss from you)  
Can I have a kiss from you (Can i have a kiss from you)  
For old times' sake(oh,oh)

It's been a long time  
Since I've called you mine  
Sure would like to see us  
Back together like we used to be  
So let me take you out

So much to talk about  
Like things we used to share  
And how to get it back my dear

Just like deja vu, I say  
Running into you this way  
I want to keep you here  
I got to have you near

Can I have a kiss from you (Can i have a kiss from you)  
For old times' sake (oh baby)  
Can I have a kiss from you (Can i have a kiss from you)  
Can I have a kiss from you (Can i have a kiss from you)

For old times' sake(oh,oh)

Oh yeah well yeah well well  
Well well well can I can I can I can I  
No no no no no  
Can I have a kiss baby  
I need it oh want it

And just like deja vu, I say  
Running into you this way  
I want to keep you here  
I got to have you near
