verse 1:hey love
come on listen to me
i know you wanna turn away
all that we been through
i gotta keep on loving you
so won't you give me one more chance for romance
i'll show you
more love
than you'll ever know
straighten it up and make love the way it should be
one thing i'm sure of

and if at first you don't succeed you got to try again
just let me be

let me show you
more love
than you'll ever know
straighten it up and make love the way it should be
