I wanna love you, yeah, over and over again

I wanna see, see what you're like, like in bed, over and over

Hey, hey, don't say goodnight

When you know it's time for love

Hey, hey, hey, hey, hey

Don't say goodnight

Oh, when you know I gotta have your love

I wanna feel you, I wanna thrill you girl

I want to caress you, ooh

Help undress you girl

Hey, hey, hey, hey, hey, hey baby

Don't say goodnight

Oh, when you know I gotta have your love

And ooh baby, don't say goodnight

When you know I gotta have your love

Some people say that life is for the living

So lets live it baby, yeah

Most of the people say that love is for the giving

So let me love you girl, yeah

Hey babe

Don't say goodnight

Oh, when you know it's time for love

Hey

Don't say goodnight,

When you know I gotta have your love

Some people say that life is for the living

So lets live it baby, yeah

Most of the people say that love is for the giving

So let me love you girl, yeah

And hey, baby, don't say goodnight, oh

When you know I gotta have your love

And hey, baby, don't you ever say goodnight

Oh when you know I gotta have your love

Ooh we babe, don't ever, ever say, don't ever, ever,  
say

Ever, ever, ever say

Don't say goodnight, don't say goodnight
