Listen girl you want me but he needs you  
Yet you're tellin' me that everything is cool  
Tryin' to convince me baby to do as you say  
Just go along and see things your way

#### CHORUS

And keep it on the down low  
Nobody has to know  
We can keep it on the down low  
Nobody has to know

Secret lovers is what you wanna be  
While making love to him girl you're silently calling on  
me  
What is a man to do in a situation like this?  
I feel there is something that I don't wanna miss

#### CHORUS 2x

Beautiful you are but you're his by far  
Comin' by my way drivin' his fancy car  
Making plans to be in my life forever  
Tell me, tell me that we'll always be together

#### CHORUS 2x

Listen babe I won't whisper a word
