Just yesterday morning they let me know you were  
gone  
Suzanne the plans they made put an end to you  
I walked out this mornin' and I wrote down this song  
I just can't remember who to send it to  
[chorus]  
I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again  
Won't you like down upon me Jesus  
You gotta help me make a stand  
You just got to see me through another day  
My body's achin' and my time is at hand  
I won't make it any other way  
[chorus]  
I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again  
Been walkin' my mind to an easy time  
My back turned towards the sun  
Lord knows when the cold wind blows it'll turn your  
head around  
Well there's hours of time on the telephone line to talk  
about things to come  
Sweet dreams and fine machines in pieces on the  
ground  
[chorus]  
Oh I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you baby, one more  
time again  
Thought I'd see you one more time again  
There's just a few things comin' my way this time  
around  
Thought I'd see, thought I'd see you...
