Verse 1

Oh, I believe you are an angel
All the heaven I need to see
You're the promise everlasting
Where you are, I hope to be

Chorus

Make me say it again girl
Make me say it again girl
Make me say it again girl
You're all I need, oh yes you are
You're all I need, oh yes you are
You're all I need

Verse 2

Whatever pains inside, you make it better
You seem to realize, when I'm concerned
You are the only one who goes through the changes
Giving my life directions, when I am turned

Chorus

Verse 3

How am I worthy of love from an angel
Princess Imperial of my soul
Don't really matter if you choose not to answer
Hoping what I reveal you already know

Chorus
