There was a story  
About a man comin' in  
Findin' his woman in bed with  
Well, listen  
It's 2 a.m., just gettin' in, about to check my message  
No one has called but my homies and some bill  
collectors  
Cellular rings, somebody wants to borrow money  
I two-way her, she don't hit me back, something is  
funny  
So I called her mother's house and asked her, had she  
seen my baby (whoa, ah)  
Drove my 6 around lookin' for that missin' lady  
Got back in, turned the TV on and caught the news  
Then I put my hand on my head 'cause I'm so confused  
And then I turned the TV down (TV down)  
'Cause I thought I heard a squeaky sound (Whoa whoa  
whoa )  
Mmm, something's goin' on upstairs, yeah  
'Cause I know nobody else lives here, yeah  
Bom-bom-bom  
As I get closer to the stairways, all I hear  
And then I hear my baby's voice in my ear  
Screamin' out  
You're contagious, touch me, baby  
Give me what you got (then a man said)  
Sexy lady (ooh), drive me crazy  
Drive me wild (all I heard was my baby's voice  
screamin')  
You're contagious, touch me, baby (touch me)  
Give me what you got (yeah, yeah, yeah, yeah, yeah)  
Sexy lady, drive me crazy (then I heard another man,  
yeah)  
Drive me wild (And I just can't believe this shit)  
I ran downstairs, looked in the closet, lookin' for that,  
ooh  
Said a prayer 'cause only God knows what I'm gonna  
do  
What I saw was enough to drive a preacher wild  
I'm in the hall contemplatin', not in my own damn house  
Who would of thought she was creepin' with another

man (whoa, ah)  
The down low happening to me all over again  
And then I turned the TV down (TV down, yeah)  
'Cause I know I heard a squeaky sound  
Something goin' on up there upstairs  
'Cause I know ain't no one else lives here  
Bom-bom-bom  
As I get closer to the stairways all I fear  
And then I hear my baby's voice in my ear  
Screamin'  
You're contagious (whoa), touch me, baby (oh)  
Give me what you got (then a man says)  
Sexy lady (oh, ah), drive me crazy (oh, ah)  
Drive me wild (all I can do is hear them say)  
You're contagious, touch me, baby (ooh)  
Give me what you got (whoa whoa whoa )  
Sexy lady, drive me crazy  
Drive me wild (oh, I can't believe this shit)  
What the hell is goin' on between the sheets in my  
home  
Baby, wait, let me explain  
Before you start to point your cane  
Girl, I'm 'bout to have a fit  
{Oh, it's about to be some shit}  
{How did I get into this}  
{Shoulda never came home with this bitch}  
You lowdown dirty woman  
Back to where you come from  
But baby, wait  
But wait, my ass  
Hit the streets, your ass is grass  
{Now Mr. Biggs, before you're done}  
Wait, how you know my name, son  
(Honey wait, I was gonna tell you)  
Move, this cat looks real familiar  
Hmm, now don't I know you from somewhere a long  
time ago  
{No-no, I don't think so}  
Yeah, yeah, I feel I know you brother, very well  
{No-no, you're mistakin' me for somebody else}  
(Frank) shut up  
Can't you see two men are talkin'  
(But) thought I told your ass to get to walkin'  
Now I think ya'll better leave this place  
'Cause I'm about to catch a case  
You're contagious, touch me, baby  
Give me what you got (whoa, that's what she said)  
Sexy lady (ooh), drive me crazy (whoa)  
Drive me wild (and then he replied)  
You're contagious, touch me, baby (touch me)  
Give me what you got (give me what you got)

Sexy lady (whoa), drive me crazy (oh, whoa)  
Drive me wild (ah, yeah, oh)  
You're contagious, touch me, baby (I should have  
known from the shoppin' spree)  
Give me what you got (that's the only time you smile at  
me)  
Sexy lady (and makin' love girl), drive me crazy (will  
never be the same)  
Drive me wild (I can tell how you said my name)
