Who's that lady, (Who's that lady)

Beautiful lady,(Who's that lady)

Lovely lady, (Who's that lady)

Real fine lady, (Who's that lady)

Hear me calling out to you  
Coz that's all that i can do  
Your eyes tell me to pursue but you say yeah look but  
don't touch

Who's that lady,(Who's that lady)

Sexy lady, (Who's that lady)

Beautiful lady,(Who's that lady)

Real fine lady,(Who's that lady)

I would dance upon a string any gifts she'd wanna  
bring i would give her anything if she would just do  
what i say.

[Guitar Break]  
Who's that lady, (Who's that lady)

Beautiful lady,(Who's that lady)

Lovely lady, (Who's that lady)

Real, real fine lady, (Who's that lady)

I would love to take her home but her heart is made of  
stone i gotta keep on keeping on if i don't she'll do me  
wrong

[Guitar solo]
