La dadadadada, well well well, ooh yeah, oh yeah

All alone for so long all the hope i had in finding love
was almost gone, then an angel came along ooh

Oh i believe good things come to those who wait and
destiny (destiny) girl i know it must be fate now i see,
cause i found my soul mate, you're all i need

Oh so wonderful, beautiful but the words don't do you
justice, girl you're so much more, dedicate my life to
love you so , love you so, ooh

Oh i believe good things come to those who wait and
destiny (destiny) girl i know it must be fate now i see,
cause i found my soul mate, you're all i need

Oh i believe good things come to those who wait and
destiny (destiny) girl i know it must be fate now i see,
cause i found my soul mate, you're all i need

Never leave me baby stay right there oh so hard to
describe it, you bring tears to my eyes, you're all i
need, ooh, you're all i need
